

To my valued patients and friends,

After practicing dentistry for 38 years, I have decided to announce my retirement from the practice of pediatric dentistry. I have truly enjoyed my relationships with my patients and staff and have gained endless satisfaction and joy from caring for you and your families over the years. I have had an incredible career and it has been an honor to have served you. I look forward with excitement, to retirement and spending more time with my family. I look back with fondness and pride, to my years here with you and all that we have accomplished together. Thank you for your kindness, your loyalty, and your trust.

I am happy to announce that after many months of planning, Dr Jeremy Cox DMD and Dr Daniel Beck DDS at Pediatric Dental Specialists, have purchased my practice and will be caring for your dental needs in the future. This change will take effect as of Friday April 3<sup>rd</sup>, 2020. I have searched for someone in whom I can trust to take care of my patients in a caring and compassionate manner. I have been impressed by the kindness, compassion, reputation, and genuinely good people in this office. It gives me great peace of mind knowing that my patients will be in the care of doctors that treat others so well. I highly encourage you and your family to continue your dental treatment at Pediatric Dental Specialists under the excellent care of Dr. Jeremy Cox and Dr. Daniel Beck.

We have worked hard to make your transition to Pediatric Dental Specialists as easy and as seamless as possible. We will be transferring your records, and the wonderful front office at Pediatric Dental Specialists is expecting you. Their front office will be calling you to set up your recare appointments in the next few weeks and you will be treated like family as we introduce you to your new office.

Dr Cox and Dr Beck are available immediately by phone and are seeing emergency patients during this required time off. Please contact Pediatric Dental Specialists if you have any questions or dental emergencies. The front desk is open and taking calls currently. Please reach out and call them to set up your next regular cleaning, exam, and treatment.

I want to thank each of you for the opportunity to be your child's dentist, and for your past and present trust in me. It means more to me than I could ever express. I appreciate retiring with the knowledge that my patients will be treated with the same exceptional level of care that I have strived so hard to give over the past 38 years. Please know that you have my best wishes for the future.

Sincerely,

"Dr Dave" Noffsinger, D.D.S
